

Yarana Drive Park, Mt Helen

Site Analysis

- Yarana Drive, Mount Helen
- 5,424 M2 land size
- Land Owner - City of Ballarat

Constraints

- Established homes and infill development
- Sloping site
- Limited space for parking
- Established path network and park layout

Opportunities

- Additional tree planting in reserve and new human scale planting
- Remove dated cricket/basketball nets and relocate/replace with a different recreational element
- Add nature play and play new elements for older children
- Formalise entry
- Additional tree planting Shakespeare Ave in small pockets of land
- Consider edging for new bitumen path to contain erosion
- Improve Accessibility to play space
- Additional seating and shelter
