

**BALLARAT  
HERITAGE+DESIGN**  
*Excellence Awards*

# 2019 FINALIST

Nominee:

**Garry Goyne**  
**Morton Dunn Architects**

Category: **Conservation of a Heritage Place**

Category: **New Designs in a Heritage Context**

Project: **ANA Building Redevelopment**  
**22 Camp Street**

The ANA Building Redevelopment re-imagines the former ANA Building and adjoining car-park. This project demonstrates impressive treatment of the heritage building, presenting the beautiful detail of the ANA building in a crisp new way, as well as providing a new building adjacent that takes advantage of the significant views. The new contemporary building sits lightly in the Camp Street Precinct, adding another dimension.
