

**BALLARAT
HERITAGE+DESIGN**
Excellence Awards

2019 FINALIST

Nominee:

**Brett Edgington, Ballarat Regional
Trades and Labour Council
Incorporated**

Category: **Conservation of a Heritage Place**

Project: **Trades Hall Façade Restoration
24 Camp Street**

Trades Hall was erected in 1887. Wonderfully large and quite unusual for the Camp Street precinct, its highly decorated facade with its giant Corinthian columns and smaller intricate details have been restored, giving this building an assured future. Ballarat is certainly the winner with great works giving the streetscape new life.
