IMPROVE HABITAT ZONES

- To introduce Indigenous Cultural Knowledge by incorporating Indigenous/Native Plants important in Aboriginal Food, Medicinal and Cultural-use.
- To propose a Wildlife-Underpass to Link the site with Fairyland & the Lake Wendouree waterways.
- To Increase Biodiversity & Habitat Sustainability for:
 - Arthropods & Insects
 - Amphibians & Small Reptiles
 - Aquatic species
 - Small Mammals
 - Small Arboreal Species
 - Birds

North Gardens Indigenous Sculpture Park.

Lake Wendouree, Ballarat.

Landscape Masterplan.
